

"You (Duke Energy Convention Center) have been sensational to work with. You've been extremely professional and responsive to all my requests. Your organization and attention to detail have been a welcomed asset in the planning of the conference. As I continue to work through the conference plan, I look forward to pulling this all together on the conference dates."

– Barbara A Stark, CMP, CMM, Manager, Meetings and Travel, AgriBank

CONVENTIONS AND TRADESHOWS

EXPLORE, CONNECT, CREATE

Our First Floor Exhibit Halls offer easy access, total flexibility and 200,000 square feet of contiguous space.

- 
- Divisible into three individual exhibit halls, complete with the independent entrances, ticket offices and coat checks
 - Enter through our 48,500 square-foot lobby
 - Fully dimmable and eco-friendly LED lighting
 - Utility connections for electric, telecommunications, air, water, gas and drainage
 - Enclosed loading dock with 17 bays and direct street access (14 high bays and 3 low bays)
 - Drive-onto-floor access for all three exhibit halls
 - Marshalling yard locations less than one mile away
 - Unique sky bridge offers attendees expansive aerial views of the exhibit floor, as well as unique marketing and advertising opportunities
 - Cincinnati Destination Kiosk offers convenient local attraction and restaurant information to visitors
 - 55 sq. ft. Video Wall at Main Entrance
 - Thirteen additional LED screens located in public space provides an opportunity for customized event content and messaging to your attendees
 - On-site multiple ATM machines
 - Wireless internet connectivity available throughout the facility provided by SmartCity
